HIEROWEB INTERACTIVE PRESS RELEASE

[Hieroweb Interactive](#) launches new [Re/Max Realty](#) Web Site.

After spending approximately 10 years in the US Marine Corps, [Will McCullough](#) had just finished up a successful tour as a Drill Instructor at Paris Island in South Carolina. It was an exceptionally challenging and rewarding occupation and I am very thankful for the experience. Paris Island is located in the coastal area of Beaufort SC between Hilton Head and Charleston. To make a long story short, he made the decision to purchase his first investment property. One property led to the second and before long he made the decision to leave the Marine Corps to pursue his genuine love of real estate investment and business. Building on his real estate investment foundation, he then went on to put his experience to work for others, quickly becoming one of the top producing real estate agents in the area.
